

Speed – Networking Fair 2018 | Portland

Speed-networking fairs are an excellent way for business to connect with highly-qualified, emerging talent. Whether your organization is recruiting for summer interns or full-time positions, in any business discipline, the ‘speed-dating’ format ensures you will have the opportunity to interview all participating students one-on-one and be able to easily identify candidates whose skills align to your organization’s needs.

We offer the following events for business disciplines:
